Shredding Sales Manager

Jill Gorde - Ext 8823  
Job Recruiter

Shaylyn VanMilligan- Ext 8817  
Electronics Recycling Sales  
Representative

## CESCC's Kickball Fun

The weather this summer was extremely good to us and we took advantage of it as much as we possibly could, and that included getting together with our Life Skills program to throw an end of the summer picnic and kickball game! We met at Marysville Park for some cornhole, bocce ball and lawn darts in the morning. We then enjoyed a delicious lunch of subs, chips, a sweet treat and drinks followed by a rousing game of kickball!! We even had time to dress up in some props and take some silly photos! It was so nice to be able to be outside and get together with another one of our programs to see some new and familiar faces. Stay tuned for a little video of the day that will be posted to our Facebook!

# The Bridge

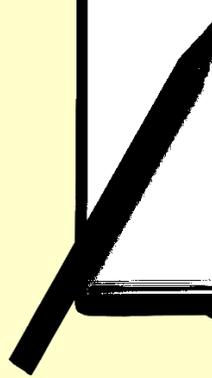

## The Life Skills Program Baked the Day Away

The Life Skills staff brought in a plethora of zucchini from their home gardens. So, they came up with plan to do a baking project with the individuals we serve. The staff and consumers made a list and shopped for all of the other needed ingredients. They then spent a full day making zucchini bread! They mixed up the ingredients and baked several loaves of yumminess. That afternoon was spent eating the 'fruits of their labor'!

## Got Paper?

Did you know that Blue Water Secure Shredding provides free quotes regardless of the amount of paper you need to have shredded? All documents are securely shredded at Blue Water Secure Shredding and recycled with a certified company! Give Scott Bradley a call at 810-990-8836 to schedule your appointment!

**Reminder**  
CESCC will be closed on November 25<sup>th</sup> and 26<sup>th</sup> for Thanksgiving!

## CESCC's WordWorks Crew Can Build it for You

CESCC's WoodWorks Crew has been very busy this summer, but they still have time for more projects! The crew does not just build ramps; they build porches, sheds, handrails, decks and much more!

The crew works year-round and is ready to give you a free quote for your next project!

If you are interested in scheduling an appointment, please give Lisa Renno a call at 810-990-8811.

## Update

**As of September 15, 2021, Community Enterprises ceased its operation of the Electronics Recycling program. We are sorry of any inconvenience.**

A banner for 2.1.1 services. It features a blue speech bubble with '2.1.1' in white. To the right, the text 'Get Connected. Get Help.' is displayed. Below the speech bubble are four circular icons: a headset for 'CALL', a hand pointing at a screen for 'TEXT', a group of people for 'CHAT', and a magnifying glass over a document for 'SEARCH'. Each icon has a corresponding label and a brief description below it.

## River District News You Can Use!

The River District virtual programs are a hit! We've added a virtual Birdwatching Club to our class list and people loved it so much that we are adding another virtual class. This class is Hunting and Fishing; it will be hosted by River District staff Kathy Uppleger, a hunting and fishing enthusiast. She will be discussing various topics during the sessions, including safety, laws and regulations, her personal success stories and more. This class runs from October 5<sup>th</sup> through the end of December. Our Birdwatching Club will also continue to run through the end of December as well. These classes are open to anyone within our organization. Please contact Caitlin Reynolds or Laurie Karig.
